

Paradise Found: The Maldives

A stunning archipelago in the Indian Ocean, the Maldives is a dreamscape of turquoise waters, white sandy beaches, and vibrant coral reefs. Known for its luxurious overwater bungalows and unparalleled marine life, this paradise offers a serene escape from the hustle and bustle of everyday life.

Climate & Seasons

Dry Season (November-April)

Ideal for sunbathing and water activities with clear skies and calm seas. Perfect for underwater visibility and outdoor adventures.

Wet Season (May-October)

Brings occasional rain showers and lush greenery. Despite some rainfall, temperatures remain warm and welcoming, with fewer tourists and lower prices.

Top Highlights & Attractions

1 Malé
The bustling capital offers a glimpse into local life with its vibrant markets, the stunning Grand Friday Mosque, and the Maldives Islamic Centre.

2 Banana Reef
A renowned diving spot teeming with colorful fish, coral formations, and the occasional reef shark.

3 Hulhumalé Island
A man-made island with beautiful beaches and a relaxed vibe, perfect for a day trip.

4 Vaadhoo Island
Famous for its "Sea of Stars," where bioluminescent plankton light up the shoreline at night.
